**WELCOMING
THE STRANGER**

**STUDENTS AS
GLOBAL CITIZENS**

Inspiring to see how many ways to create awareness but cover same issue – also student passion to find a solution.
Inspirational.

Importance of primary sources and teaching students to be critical of media.

How social media can be used to put a message out there.

Students tapping into the events happening in their own world
– what they think needs to change.

Reaching out in love for justice!
